What is “HÖOK”?

- National Union of Students in Hungary
- Students’ representation
- Brings solutions to problems that go beyond the universities’ decision-making offices
- Each university and each student in Hungary is a member of HÖOK
What is the Stipendium Hungaricum Mentor Network?

- A network to help the cultural and educational integration of students coming to Hungary with Stipendium Hungaricum scholarship
- Was created thanks to the negotiations between the National Union of Students in Hungary and the Ministry of Human Capacities
- Greatest project of the National Union of Students in Hungary, with the most significant priority
- Supported by the Ministry of Human Capacities

Aims of the Stipendium Hungaricum Mentor Network

- Peer assistance
- Help the integration of foreign students
- Show Hungary’s geographical, historical and cultural values
- Promote the political and educational aims of the Ministry of Human Capacities
Structure of the Network

1. Management
2. Institutional leading mentors
3. Senior mentors
4. Mentors

Tasks of the Mentors

- Help in administrative and official procedures
- Assist the mentees to overcome their educational problems and challenges
- Stay in touch
- Help with public transportation
- Motivate the mentees to participate in cultural programmes organised by the Network
