WELCOME TO CORVINUS UNIVERSITY OF BUDAPEST (CUB)

Being a student in a foreign and unknown country can be stressful. You may have worries about your studies, financial situation and life in general. As a foreign student you may experience a culture shock or you may simply miss being away from home. We hope that this guide will help you to settle down as smoothly and quickly as possible.

WHERE TO FIND THE BUILDINGS OF CORVINUS

building C. (aka new building): 1093 Budapest, Közraktár u. 4-6.
YOUR COORDINATORS AT CORVINUS

You will have several coordinators while you study here and we are all here to help you getting through the difficulties that can happen in your life. The Stipendium Hungaricum (SH) office in room E.167 is responsible for any scholarship related issues such as scholarship payment, accommodation, insurance. Ms Szilvia Strack (stipendium@uni-corvinus.hu) is your scholarship coordinator.

You also have a study program coordinator, who is responsible for any study related issues eg. how to get a Neptun code, how to activate your semester in Neptun, how many credits you need to collect etc.

The working hours of the coordinators are Mon-Thu 08.00-16.30 and Fri 08.00-14.00. It's not typical that they answer the e-mails outside working hours. **Please note that the working hours are not the same as the office hours.** The coordinators do a lot of back office work when the offices are not open for students.

**Working hours:** when the coordinators are physically at the university.

**Office hours:** when the students can visit the coordinators.

You probably know who your study program coordinators are, but just in case please have a look at the list below.

STIPENDIUM HUNGARICUM WEBSITE OF CORVINUS

We have a website for the SH students at Corvinus, where you can find the most important SH related information. The website is updated every time when there is a major change.

ACADEMIC CALENDARS OF THE FACULTIES

Corvinus Business School
Corvinus School of Economics
Faculty of Social Sciences and International Relations

TRANSFER OPTIONS FROM THE AIRPORT

1. **Public transport**
   a) **Bus 200E** stops at the airport every 7-10 minutes. It takes you to Kőbánya-Kispest metro station. From here you can travel to the city center with metro replacement bus (metro line 3 is under renovation). At the airport you can buy a transfer ticket at one of the vending machines for about 2,50,-EUR. You will get two tickets. Validate the one with nr. 1 on the bus at one of the machines and then validate the one with nr. 2 at the entrance of the metro. You can use your debit/credit card when you buy the tickets.
   b) **Bus 100E** stops at the airport every 30 minutes. It takes you directly to the city center. A single bus ticket is about 3,-EUR.

2. **Taxi**

   You can take a taxi at the airport. The official taxi company of the airport is Főtaxi. They have a booth in front of the arrival terminal. It is a good and reliable company and the ride to the city center is about 30,-EUR.

3. **Airport shuttle**

   One ride to the city center is about 16,-EUR/person.
Change some money at the airport as debit/credit cards and foreign currencies are not acceptable on the bus and metro. Don’t change too much though as the exchange rates are not very customer friendly at the airport. The taxi and shuttle companies may accept debit/credit cards.

Please note that the scholarship program doesn’t cover your flight ticket and airport transfer.

ARRIVAL DATE

In 2020 the tuition in the Fall semester starts on 7 September 2020. The week before this date is the orientation week, therefore it would be wise to arrive at the very end of August or very beginning of September. The last possible registration date in the study program coordinator’s office is 5 October 2020. Unfortunately we can’t accept you as a student if you arrive after this date.

MENTOR PROGRAM

You get a mentor in August, who helps your integration in the everyday life in Hungary. You will get information on the mentor program in August.

THINGS THAT YOU MUST DO AFTER ARRIVING IN BUDAPEST

1. registration at your study coordinator’s office
2. registration in the Stipendium Hungaricum office (E.167)
3. application for the residence permit at the “Immigration and Asylum Office” if you don’t travel with a D visa, see details under “How to apply for the residence permit”
4. opening a Hungarian bank account
5. requesting a tax number
6. getting a student id code

You can fulfill these tasks in any order.
REGISTRATION IN YOUR STUDY COORDINATOR’S OFFICE

Your study program coordinator will send you information on this via e-mail at the end of August. This registration must be done only at the beginning of the first semester of your studies. Your study coordinator will send you the exact details of this registration in August.

REGISTRATION IN THE SH OFFICE

Registration in the SH office is a must at the beginning of each semester. The SH office will send you information on this via e-mail twice a year, at the end of August and at the end of December. Please note that you have to sign your scholarship agreement in your first year at the first visit and no scholarship transfer can be done without a signed scholarship agreement.

HOW TO APPLY FOR THE RESIDENCE PERMIT

You must have a valid residence permit allowing you to study in Hungary during the whole period of your studies.

There are two possible scenarios.

Scenario 1. You are entering the Schengen Area with a D-visa and a Non-EU/EEA passport. SCHOLARSHIP TRANSFER

Steps that lead to your first scholarship transfer. These can be done in a different order of course.

1. In September, at the beginning of your first semester you sign the Stipendium Hungaricum scholarship agreement during the scholarship registration. This must be done only once.

2. You register for the scholarship in person during the Enrollment/Registration week. In the first semester identifying yourself with your passport, later either with your passport or with your residence permit. This registration must be done at the beginning of each active semester until the end of your active student status. The SH office sends you a reminder on this in August and in December.

3. You apply for a tax id and your tax id is registered in Neptun.

4. You open a HUF account in a Hungarian bank and your bank account number is registered in Neptun.

5. You activate your student status in Neptun.

The first scholarship and accommodation contribution (if applicable) transfer will be done only if all of the above are fulfilled.

If you are a first-year student you have a chance to get the first scholarship in October but only if you activate your Neptun by 10 September at the latest and your bank account and tax numbers are registered in Neptun by 25 September at the latest.

Registration in person for the scholarship is a must at the beginning of each semester. Please note that due to technical issues we are not be able to transfer any scholarship and accommodation contribution in September and in February.

You receive the September and October amounts due to you in a single installment in October and the February and March amounts due to you in a single installment in March.

IMPORTANT: the October and March scholarship amounts (and any further amounts due to you in the course of the Fall and Spring semesters) will be transferred ONLY IF you register
for the scholarship in person during the Enrollment/Registration week and you activate your Neptun status by the 10th of September/February at the latest. **Should you miss these deadlines for any reason** whatsoever, **your scholarship transfer will be delayed by a month** and you will get the first transfer (including the September, October, November amounts) only in November/ (including the February, March, April amounts) only in April. After the first instalment of each semester, you get the scholarship at the beginning of each month, by the 15th of the given month.

**ACCOMMODATION**

**DORMITORY**

According to the [Stipendium Hungaricum Rules and Regulations](#) you are entitled to get a dormitory place depending on the capacity of the university OR 40,000,-HUF accommodation contribution per month until the end of your active student status. However Corvinus also has a dormitory rule for SH students. “(6) For students participating in the Stipendium Hungaricum Scholarship Programme (hereinafter “SH students”), up to 110 places can be distributed in the Kinizsi Dormitory and the Tarkaréti Dormitory each (altogether 220). The basic principles of place distribution are as follows:

a) The altogether 220 places must be distributed among first-year (newly admitted) and PhD (newly admitted and senior) SH students in the order of arrival of their application.

b) If from among the first-year and PhD SH students the number of students applying for a dormitory place does not reach the altogether 220 places available, the remaining places can be distributed among the senior SH students applying for a dormitory place. In this case, the places are distributed among the senior SH students having the best scholarship average of grades. If the averages of grades are equal, the SH student having submitted his application first should be granted the dormitory place.”

The SH office will send you the dormitory application link at the end of July 2020. **Please note that application doesn’t mean acceptance. We can’t promise you a dormitory place for sure.** The application result will come at the end of August 2020. The dormitory
coordinators will inform you via e-mail about the result of your application. In the info letter you will get a dormitory welcome letter (only if you get a place) that you must read very carefully. Moving in is possible only on 06.09.2020 (or later if you don’t arrive by that date) but not before. **However we can’t guarantee that you get a place in the dormitory you choose. You may get a place only in the other one or in none of them at all.**

We have two dormitories where you can stay. Both buildings have been partially renovated, but not all the rooms are renovated. **Please note that we can’t guarantee that you get a renovated room if you get a dormitory place.**

**IMPORTANT**

**Please apply for the dormitory only if you accept the following rules:**

- The dormitories accept male and female students as well. Genders are not mixed in the rooms, but the common areas are mixed and there can be a male room next to a female room. This is totally common and accepted in Hungary.
- You cannot request to be placed or not placed in the same room with a person of a certain nationality. The room distribution is done by the dormitory manager before your arrival in Budapest.
- You cannot ask to be placed or not placed in the same room with someone of a given religion. You have decided to live in a foreign country. Part of this experience is to achieve cultural understanding, e.g. acceptance of the fact that someone may have a culture and religion different from yours. Everyone is, of course, allowed to practice their religion, but, at the same time all are expected to respect the customs and religion of others.
- In case of any problems or disagreements, you must accept the decision of the dormitory manager.

STUDENT WELFARE

Sometimes having real freedom and being away from home can lead you to making bad decisions. Please take care of yourself and read the following lines very carefully.

ACCOMMODATION

- Always lock the door of your flat / house when leaving and after arriving home.

BEING LONELY AND DEPRESSED

- Being away from home can be lonely and depressing and it is not always easy making new friends. If you feel sad and lonely you can contact any of the following people:
  - Szilvia and Blanka in the SH Office
  - your study program coordinator
  - the Student Counseling Center of Corvinus
  - your mentor
  - your favourite professor etc.

DRINKING

- Beware of the dangers of drinking. If you are drunk by any chance, do not walk the streets late at night on your own, and do not go home alone. In general, it is not a good idea in any large city to walk alone late at night.

- Never leave your drink unattended!

DRUGS

- Drugs in Hungary are illegal. Avoid them.

PARTIES

- Inform your friends, roommates where you are going. Always ask one of your friends to escort you home or take a taxi if you leave late at night.
SEX AND PREGNANCY

- Practice safe sex. Always use a condom available in the drug stores eg. DM, Müller. Sexually transmitted diseases can be found all over the world. Take care of yourself.
- If you had unprotected sex, you can get morning-after pill, but note that you MUST visit a doctor and get a prescription. You can buy the pills only in pharmacies, and don’t forget, you must have the prescription.
- If you think you are pregnant get a pregnancy test. You can choose from a number of over-the-counter pregnancy tests in the drug stores. Do not be shy in such cases and ask for someone’s help.

THIEVES / PICKPOCKETS

- Budapest is generally very safe and pickpocketing in not that common, but it can happen. Please never carry your passport with you, have a photo of it in your phone. Residence permit should be good enough identification if needed somewhere.
- Always carry your bag in front of you, especially on the public transport, and never on your back, even if it is a rucksack. Your phone and wallet should never be in the back pocket of your jeans/trousers.
- If you sit down somewhere, make sure that you keep an eye on your stuff rather than put it next to yourself or behind you. It can be stolen in a second. Take care even at the university as anyone can enter the buildings and do not leave your things in an empty classroom if you don’t stay there.

TRAFFIC RULES

- Make sure that you cross a street only at green light. Before stepping off the curb make sure that all the cars have stopped. Please use the official pedestrian crossings only.

A TO Z - USEFUL THINGS FOR EVERYDAY LIFE

ADDRESS CARD

The address card is the small part of the “Accommodation reporting form”. The Immigration Office representative stamps and signs the form and you get back that small part that serves as your address card. It is signed when you pick up your residence permit. Take very good care of it as it is a legal document that can be asked for by the authorities.

Also don’t forget that whenever you move to another place you have to report your new address to the “Immigration and Asylum Office”. According to your scholarship contract this reporting must be done latest 3 days after the change.
You can get the blank accommodation reporting form even outside office hours from the board on the wall next to the SH office (E.167).

**BANK CARD (DEBIT CARD/CREDIT CARD) VS BANK ACCOUNT NUMBER**

You have to be careful to whom you give your personal data, most specifically, your debit/credit card number. This information MUST NOT be given to anyone. If you give this number to someone, that person can use your card sometimes even without having your CVV code (3 digits), which can be found at the back of your card.

Never give your PIN number to anyone and never carry it together with your debit/credit card.

**The bank account number is not the same as the debit/credit card number.**

The card numbers contain 16 digits looking like 1234 5678 1234 5678. The Hungarian bank account numbers contain 16 or 24 digits looking like 12345678-12345678-00000000 or 12345678-12345678 or 12345678-00000000-12345678 depending on the bank.

If you transfer money from your bank account to another bank account or receive money from another bank account, you need to use your bank account number. If you buy anything online, you need your card number and possibly CVV code.

You can always check your bank account number online if you have the application of your bank on your mobile phone.

**CLOTHING AND SECOND HAND SHOPS**

Hungary is a country of extremes regarding the weather.

September can be still quite warm during the day (+25-27 Celsius) and the weather gets colder and colder as we enter October and November. November can be cold with temperature under +10 Celsius. Winter months can be really cold. In winter the average temperature is zero to -10 Celsius. In extreme circumstances and at night the temperature can go below -15 Celsius.
We would like to encourage you either to bring warm winter clothes, a coat, scarf, hat, gloves and boots or buy them here. Buying them here is not a problem either as we have a lot of shopping malls with all the major fashion chains.

If you want to save some money try the second hand chains Háda, Cream and Humana. All have several shops all around Budapest. Alternatively you can try the Chinese shops that are available all over Budapest, but if you need a lot of different shops at the same place try Monori Center.

**COPY SHOP**

You can find a copy shop on the ground floor of the main building opposite the aula.

**Opening hours:** Mon-Thu: 08.00-16.30, Fri: 09.00-14.00, Sat-Sun: closed.

**DATE FORMAT IN HUNGARY**

A yyyy.mm.dd. date format is used in Hungary. For example 2018.01.08. or 2018. január 8. or 2018. jan. 8.

**DISTRICTS OF BUDAPEST**

Budapest has 23 districts and the city is divided by the River Danube into Buda and Pest. Buda is hilly, Pest is rather flat and the city center is on the Pest side. Corvinus University is located at the edge of district 9 on the Pest side. The most central and most expensive districts are 5, 6, 7 and 9 and they are all on the Pest side. District 8 is also near the city center, but most parts of it can be dangerous, therefore please avoid this district if you can, except for Corvin-negyed which is at the border of district 8, but it’s considered safe.

**ELECTRONICS**

You may need to buy some electronic stuff after arrival such as an adapter or an internet cable etc. This you can do in the electronic stores that you will definitely find in all the shopping malls. The biggest ones are MediaMarkt and Euronics.
EXCHANGING MONEY

Some grocery stores accept EUR but otherwise you have to pay in HUF when you buy something anywhere in the country. There are several legal places in the city and near the university where you can exchange your currency into Hungarian Forint (HUF). You can choose an exchange booth or any bank but never ever accept an offer from somebody on the street. Exchanging money on the street is highly illegal in Hungary.

GROCERY STORES IN THE CITY

There are some big grocery store chains that are worth a visit. Some of them can be found in the city center as well but some of them only in the suburban area. The most known and popular ones are Aldi (there is one at the Market Hall next to the university), Lidl, Spar, Tesco, Auchan.

In Hungary the following data can identify you 100%, if they are used together.

NAME ORDER IN HUNGARY

Hungarians use a reverse name order.

For example in English Ms Szilvia is called Szilvia Strack, given name first and last name second BUT in Hungarian her name order is Strack Szilvia. Family name first and given name second. Her family name is her dad’s family name and like most people in Hungary she doesn’t have a middle name.

TRAVEL INSURANCE

Your TAJ card and your UNIQA private insurance are valid only in Hungary. You are not insured at all as soon as you leave the territory of the country. You are NOT entitled to get the blue EU card unless you have a permanent address in Hungary or in any of the EU countries. I recommend that you buy a travel insurance at any travel agency even if you leave Hungary only for one day. Buying the insurance online is unfortunately not an option for you as all the websites are available only in Hungarian. The most reliable travel insurance companies are Európai Utazási Biztosító (EUB), Allianz, Aegon, Union, UNIQA, Mondial. Take your residence permit, passport and address card with you when you buy the insurance.
